JUDGMENT

I am informed by all sides including the Government Pleader that the District Collector is already in seisin of Ext.P3 and he has after hearing the parties directed the Tahsildar, Kunnathunad to conduct a measurement of the properties belonging to the petitioner as well as respondents 4 and 5 so that the controversy can be settled once and for all. In view of the above submission, I do not find any reason to entertain this Writ Petition any more. The Writ Petition will stand closed with a direction to the District Collector to ensure that the measurement which has already been ordered by him is completed at the earliest and a final decision taken on Ext.P3 without much delay.
